TERMS AND CONDITIONS

1. Undertaking of BTI

(T)

This tariff contains the regulations and charges applicable to direct-dialed and operator-assisted intrastate resale common carrier communications services provided by BTI between points within the state of Maine. Operator-assisted services are furnished subject to the availability of facilities and subject to the terms and conditions of this Tariff.

(T)

BTI installs, operates, and maintains the communication services provided hereinunder in accordance with the terms and conditions set forth under this Tariff. It may act as the Customer's agent for ordering access connection facilities provided by the local exchange company when authorized by the Customer, to allow connection of a Customer's location to the BTI network. The Customer shall be responsible for all charges due for such service arrangement.

The Company's intrastate service territory is the State of Maine. The Company's services are provided on a monthly basis unless ordered on a longer term basis, and are available twenty-four hours per day, seven days per week.

Company services are available for both residential and non-residential customers.

(T)

2. Use of Service

(M)(N)

The Services may be used for any lawful purpose consistent with the transmission and switching parameters and rules of the facilities utilized in the provision of Service. The Customer shall not make use of the Services or underlying network:

- (A) in any way which might reasonably be expected to frighten, abuse, torment, or harass another;
- (B) for any purpose in violation of the law;
- (C) in such a manner as to unreasonably interfere with the use of the Service by any of the Company's customers; and/or

2. Use of Service, (Cont'd.)

(M)(N)

(D) to transmit any material which, in the Company's sole discretion

(1) violates any U.S. or state regulation, including material which infringes another's intellectual property rights,

(2) is threatening or obscene, libelous, defamatory or violates any right of privacy of another,

(3) is discriminatory or otherwise offensive.

3. Facilities Used in Provision of Service

3.1 The Service is subject to the availability of suitable facilities.

3.2 The Customer must obtain an adequate number of access lines for toll free Service to meet expected demand.

3.3 The Customer shall provide for the proper installation, operation and maintenance of the Customer's equipment used in connection with the Service and shall ensure that such equipment is technically and operationally compatible with the Service and in compliance with all FCC rules and regulations.

3.4 The Company may substitute, change or rearrange any equipment, facility or system used in providing Service at any time.

3.5 The Company will deliver the Service(s) to the Customer to the physical address set forth on an order for the Service(s) and terminate such Service(s) at the recognized point of demarcation. The point of demarcation shall be the point where the Company's facilities end and the Customer's premises wiring begins. The Company is not responsible for the Customer's premises wiring beyond the point of demarcation.

7. Payment Arrangements

(N)

7.1 Payment for Service

- (F) If the Customer pays via bank draft or credit card draft, the Customer's account will be drafted within 14 days after the conclusion of the billing cycle for the full amount due. In order to cancel a bank draft or credit card draft written notification must be received by the Company at least ten (10) business days prior to the conclusion of the Customer's current billing cycle. Upon receipt of notice to cancel a bank draft or credit card draft, the Customer permits the Company to make all credit inquiries necessary to make a determination regarding the extension of credit terms to the Customer and the Company reserves its right to require security deposits pursuant to Section 8.

7.2 Billing and Collection of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company.

- (A) When billing is based upon Customer usage, usage charges will be billed monthly for the preceding billing period.
- (B) When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days.
- (C) The Customer must notify the Company of any disputed items on an invoice within sixty (60) days of the date of the invoice. If the Customer does not provide written notice to the Company of a dispute with respect to the amounts invoiced within sixty (60) days of the date of the invoice, the invoice shall be deemed correct and binding on the Customer for all purposes.

11. Term Plan Agreements

(N)

The initial term of the Term Plan Agreement shall be set forth on such Term Plan Agreement. Upon expiration of the Initial Term, the Term Plan Agreement shall automatically renew on the same terms and conditions (including, without limitation, the rates) for successive one (1) year terms unless either party notifies the other of its intention to terminate the Term Plan Agreement at the end of the initial term or renewal term, as the case may be, which such notice shall be in writing and provided to the other party at least sixty (60) days prior to the expiration of the initial term or the renewal term, as the case may be. In the event of such notice, the Term Plan Agreement shall terminate upon the expiration of the initial term or renewal term, as the case may be. The notice must be in the form of a letter, facsimile or e-mail. The Customer shall notify the Company in writing if the Customer contact person is changed. The Company reserves the right to reject any Customer termination request received from any person other than the designated Customer contact person.

12. Refusal of Service

The following may not constitute cause for refusal of service to a present or prospective customer:

- (A) failure of a prior customer to pay for service at the premises to be serviced;
- (B) failure to pay for a different class of service for a different entity;
- (C) failure to pay directory advertising charges.

13.3 Cancellation by the Customer with Cause

A customer may have his service disconnected upon written notice to Carrier. The Carrier will hold the customer responsible for payment of all bills for service furnished until the cancellation date specified by the customer or until the date written cancellation notice is received, whichever is later. The Customer must provide 60 days written notice of cancellation in advance.

In the event (i) the Company fails to substantially cure any material default or failure of performance within thirty (30) days after the Company's receipt of the Customer's written notice describing with reasonable specificity such alleged material default or failure of performance, or (ii) if such default cannot be cured within such thirty (30) day period and the Company does within such thirty (30) day period commence such acts as shall be reasonably necessary to substantially cure the default and/or does not diligently complete such acts within a reasonable time, the Customer may terminate the Service(s) for Cause by giving the Company a written notice of termination within fifteen (15) days after the expiration of said thirty (30) day period or such reasonable time period in the event of (ii), above. If the Customer is receiving multiple types of Services, or receiving Services at multiple locations, the Customer's right to terminate Service(s) as set forth in this section shall be limited to termination of the affected Service(s) only or at the affected location(s) only.

13.4 Cancellation by the Company

(B) In addition, the Company may immediately and without notice terminate and/or block Services without incurring liability to the Customer for the following reasons:

- (1) fraud committed by the Customer or a user of the Customer's Service;
- (2) if the Customer refuses to furnish information or furnishes false information essential for billing by the Company or for the Company's determination of the Customer's credit worthiness;
- (3) the Customer indicates that the Customer will not comply with a request from the Company for security for the payment of Services;
- (4) the Customer has received notice of cancellation from the Customer's local Service provider; or
- (5) the Customer's usage exceeds parameters based on historical usage by the Customer.

In the event the Company permanently terminates Service to the Customer under this section, any agreement between the Customer and the Company, including Terms and Conditions, shall terminate. The Customer shall be liable for all liquidated damages as set forth in Section 13.2 for all Services terminated under this Section.

14. Restoration of Service

(N)

14.1 Service suspended by the Company and later restored, will be subject to a \$50.00 reconnection fee. Service disconnected by the Company and later re-installed, will be subject to all applicable installation charges, and the Customer will pay such charges prior to reinstallation of service.

14.2 The use and restoration of certain telecommunications services in emergencies shall be in accordance with the priority system specified in Part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission.

15. Force Majeure

The Company's performance hereunder shall be excused in the event of any delay or failure of performance or equipment due to causes beyond the Company's control, including, but not limited to, acts of God, fires, floods, earthquakes, hurricanes, or other catastrophes, national emergencies, insurrections, riots, wars, or other civil commotions, strikes, lockouts, work stoppages or other labor difficulties, criminal actions taken against the Company, cable cuts, unavailability, failure, interruption or capacity limitations of telecommunications facilities or transmission links (digital or analog) and any law, order, regulation or other action of any governing authority or agency thereof.

16. Disconnection of Existing Service(s) and Vendor Change(s)

The Customer is responsible for disconnection of services with the Customer's existing telecommunications provider. The Company is not responsible for any fees or other charges assessed against the Customer by the Customer's existing provider for termination of service obtained from such provider or the Customer's failure to terminate services with such provider. In addition, the Customer is responsible for all charges assessed by the Customer's phone system vendor and other third parties incurred in connection with the installation or alteration of the Company Services.

17. Assignments

The Customer may not transfer or assign the Customer’s Agreement with the Company, including the Terms and Conditions, or use of any of the Services (including resale and subtending of Internet service) without the written consent of the Company, which such consent shall be at the sole and absolute discretion of the Company. All regulations and conditions contained in this Tariff shall be binding on the Customer and his/her respective personal and legal representatives, successors and permitted assigns.

18. Special Service

Labor and expenditures required by Customer to provide service outside the scope of normal services. This class of service includes, without limitation, services whereby Company is required to incur unusual costs for engineering, purchases, labor or other related costs to provide the Customer-requested service.

19. Modification

Company reserves the right to modify its rates and service policies at any time, subject to approval of the Maine Public Utilities Commission and compliance with applicable notification requirements.

20. Taxes and Other Charges

20.1 All state and local taxes (i.e., gross receipts tax, sales tax, municipal and county utilities tax) are listed as separate line items, are not included in the quoted rates, and are the responsibility of the Customer. The Customer is also responsible for the payment of any use, excise, access, franchise and license fees or other local, state and federal taxes, charges or surcharges (however designated) excluding taxes on the Company's net income, imposed on or based upon the provision, sale or use of services. Any taxes imposed by a local jurisdiction will only be recovered from those Customers located in the affected jurisdiction. It shall be the responsibility of the Customer to pay any such taxes that subsequently become applicable retroactively. (T)

20.2 A surcharge for the Maine Universal Service Fund (MUSF) applies to all intrastate services billed to a retail Customers. The surcharge shall not apply to surcharges such as those for Enhanced 911, the Maine Telecommunications Education Access Fund, or similar funds. The surcharge shall be equal to the Revenue Percentage established quarterly by the Administrator of the MUSF. (N)

23. Return Check Charge

A return check charge in the amount that is the greater of \$5.00 per account to which the check is to be applied or the amount that the bank charges the Company, not to exceed \$15.00, will be assessed for all checks returned for non-payment by a bank or other financial institution in accordance with Chapter 870 §3 of the Maine Public Utilities Commission. If the Company charges the Customer more than \$5.00, the Company shall furnish the Customer with proof of the bank charge.

24. Payphone Surcharge

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371) and amended by Report and Order released August 12, 2004 (FCC 04-182), an undiscountable per call charge is applicable to all interstate, intrastate and international calls that originate from any domestic pay telephone used to access the Company's services. The Public Pay Telephone Surcharge, which is in addition to standard rates, terms and pricing guide usage charges and any applicable service charges and surcharges associated with the Company's service, applies for the use of the instrument used to access the Company service and is unrelated to the Company's service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (i.e., using the "#" symbol).

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

C. BTI Operator Services

BTI Operator Services are available to subscriber locations which offer their telephones for the use of the transient public. BTI provides the following billing arrangements for End Users of BTI's Operator Services:

1) Customer Dialed Calling/Credit Card

This is a service whereby the end user dials all of the digits necessary to route and bill the call without any operator assistance. Such calls may be billed either to a telephone company issued calling card or a commercial credit card.

2) Operator Station

This is a service whereby the caller places a non-person-to-person call with the assistance of an operator (live or automated). When placing an operator station call, the caller is connected to a non-specified individual at the terminating end. Such calls may be billed to a calling card, credit card, the called number (collect) or a valid third party telephone number.

3) Person-to-Person

This is a service whereby the person originating the call specifies to BTI's operator a particular person to be reached, or a particular person, station, room number, department, or office to be reached through a PBX attendant. Person-to-person calls may be billed to a calling card, credit card, the called number (collect) or a valid third party telephone number.

- 20. Pre-Paid Call Service** is offered at flat, per-minute rates listed below, twenty-four (24) hours a day, seven days a week. A discount applies for larger dollar amount cards, as indicated.

Group	Card Value	Per Minute Rate
Group 1	\$10.00	.5500
Group 2	\$20.00	.5400
Group 3	\$25.00	.5200

Company agrees to refund any amounts remaining on a Pre-paid Call Service calling card upon physical return of the card. Refund will only be issued upon a showing that the service provided by Company has failed to meet either the service requirements set forth in the Commission's rules and regulations, or the general standards of quality applicable to the industry. To qualify for a refund, a user must return the card to Company within 3 months of the original purchase and submit in writing detailed information on the basis for any requested refund. Company will promptly investigate and advise the user as to its findings and disposition.

For consideration of any disputed charges, a user may discuss the dispute with a Company representative, providing detailed information on the basis for any requested adjustment, either verbally or in writing, within 30 days of the date the disputed call is placed.

All federal, state and local taxes (e.g., excise tax, gross receipts tax, sales tax, municipal utilities taxes) are included in the tariffed rates above.
